- Interschool sport (Fridays in Terms 1&2 - Sport Uniform required)

Specialist lessons begin Week 3 beginning Monday February 8th.

Swimming Program
Daily swimming lessons for all students begins on Monday February 22nd and extends for 2 weeks. (Permission and information notes will be sent home this Friday).

A few reminders:
- Sports uniform should be worn for the entire swimming program
- Where possible, children wear bathers under their sports uniform
- Bring – in a clearly labelled bag – comb/brush, underwear, towel, thongs (children will change into their thongs before they leave school for the pool), goggles (optional)
- A one piece or tankini swimsuit is recommended as the most appropriate swim wear for activities involved
- For younger students it’s a great idea to have a dress rehearsal to get your child used to their swim gear in the days leading up to their first lesson. Anyone who’s ever worn a swim cap knows they can take some time to get used to.
- A dress rehearsal can also help your child get excited about their upcoming lessons. If you have any questions throughout the swimming program, please contact your child’s class teacher.

School Uniform
A reminder that the W & R Schoolwear Uniform Shop is open on TUESDAYS from 8.30 - 9.30 am. The uniform list is
also available from the office or you can download one from the school website or click here Uniform List. Hats are also available from the school office.

A reminder that sports uniform is to be worn only on sports day. This includes runners. Please make sure all uniform items are labelled with your child’s name.

**Nut Allergy**

Several students at St Augustine’s have severe allergies to nuts. These children require an Epipen (adrenaline) to be administered should they experience an anaphylactic reaction. An anaphylactic reaction can be life threatening. Our school encourages parents to provide lunches and snacks that are nut-free. We have a No Food Sharing Policy. We ask that you support us by reminding your children to not share food with other students and to wash their hands after eating. Please aim to avoid providing nut products for your child’s play lunch or lunch, eg, peanut butter, Nutella, Snickers or Picnic bars. Treats for birthday celebrations are school should not include cakes and chocolate. A lolly pop would be a suitable treat.

**Before and After School**

Parents are requested to wait outside the building to collect children. Staff walk students out to meet parents each afternoon.

All classes begin at 8.40 am. Please be punctual with your children. It reduces anxiety and sets students up for an organised day of learning. Staff are often involved in meetings before and after school or are preparing for or following up their day’s teaching. A pre-arranged appointment is the best way to meet with them should the need arise.

Please be aware that teachers begin yard duty at 8.20 am. Children must not be in the yard before this time unless under the supervision of a parent/guardian. Likewise, all children should be collected before 3.35 pm when staff finish after school duty.

If your child is late to school, they must come to the office for a late pass. If you need to collect your child during the day, you must come to the office for an early dismissal slip which is presented to your child’s teacher.
If you want a reminder of the ins and outs of daily school life, this link will take you to our website and the Parent Information Handbook.
