3/4 Trust Licences

In Grade 3/4 we place a lot of trust in our students to make good choices at all times. On Friday the 5\textsuperscript{th} February the students of Grade 3/4 received their trust licences to demonstrate they can be trusted members of our school community.

Students were asked to work in groups to write an oath detailing some of the actions they will take to demonstrate they can be trusted to make good choices at all times.

Jordy, Kristian, Kade, Matthew and Anthony wrote:

“\textit{I do solemnly swear to be responsible and respectful, be trustworthy with chrome books, move through the building safely, silently and slowly, have high quality homework and be honest}”.

Charlotte Y, Charlotte G, Layla A, Layla H and Harry wrote:

“\textit{I do solemnly swear to walk safely around the building, keep my hands to myself at all times, be honest to others, be reliable and respectful and have a cool attitude}”.

As teachers we were very impressed with the quality of promises the students were able to create. We look forward to seeing these promises put into action as the year progresses.
Miss Olivia, Miss Costello and Mrs Rodoreda

Year 3/4 Teachers

Life and learning @ St Augustine's.

Our learning community is underpinned by a sense of hope and joy in life and these photos of a day in the life of St Augustine's show just that.
