Extra Curricula

Students have lots of opportunities to participate in extra curricula activities @ St Augustine's. These are opportunities to develop skills or interests outside the regular classroom programs and range from interschool sport for the Year 5/6s to lunch time robotics sessions or being a member of the school choir.

Other opportunities are provided (at a cost to parents) including lunchtime tennis lessons and hip hop dance lessons and instrumental music lessons with Mr Pham.

For more information about any of these opportunities, visit our school website [http://www.sakeilor.catholic.edu.au/school-community/46/p/school-community](http://www.sakeilor.catholic.edu.au/school-community)

Lunch Time Tennis lessons

Kelly Sports - Hip Hop dance

Year 5 & 6 Interschool Sport Reports

Round 1 - Tee-ball
The captains of round 1 for T-ball were Ben and Bella, the other team had a mixed team so the boys team and the girls
team needed to get together to make one team. St Augustine’s batted and got off to a good start but the other team put up
a real fight. St Augustine’s got 3 quick outs and went in to bat again. Two innings later the game was finished we shook
hands then found out the score We won 24-9 and then it was onto the bus where we proudly sang the St Augustine song.

By Ben and Bella

Round 2 - Tee-ball

I was captain for the girls round 2 tee-ball game. We played St Alban’s Primary. We got off to a good start and all played
very well and gave it our best try. We all put in our very best effort and tried harder than ever. Unfortunately in the end we
lost 9-11, but we all knew that we played fairly and showed good sportsmanship.

At the end the other team’s captain congratulated us and thanked us for coming, then gave us 3 cheers. We all shook
hands.
