Notice Board

Student Health

At St Augustine’s our hope is that children enjoy good health all the time, but we know that for some this is not a reality. We have procedures and policies in place to best ensure the health and safety of all members of our community. These can be found on our website under the Student Wellbeing tab.

Please note that when a child is required to be given medication at school, a Medications Request Form must accompany the medication for a staff member to be able to administer it to a child.

Asthma Action Plan pro formas as well as Anaphylaxis Management plans are also found on our website under the Student Wellbeing tab.

Nail Polish

Our uniform policy clearly states that nail polish is not appropriate for school.

Love the wild colors but keep it for the weekend please.

Twilight Sports

Our annual Twilight Sports night for 2016 will take place on:

Wednesday March 23  @ 4:30 pm

Students sit in the middle of the track in their house areas and are given a short break during the night to return to families for something to eat.
