Hello Everyone,

We’re both proud to say that we are your school captains for 2016. We have a very encouraging SRC team behind us, so we can guarantee great things from not only the SRC team but from all the leaders at St. Augustine’s. The leadership group for 2016 have big plans for the future of the school and have great ideas to improve the St. Augustine’s community.

As another week is ticked off for the grade Preps, deeper learning can be seen in the upper year levels. It has been a very exciting term so far with swimming a highlight and kids continuing to show persistence and dedication.

Recently, some students represented St Augustine’s in the District Swimming Carnival and they showed great sportsmanship whilst they put in their best effort. Both the relay teams came first and are going to proceed to the next round. Good luck to both teams.

We have also started off the year with the 5/6’s getting their buddies. We have already had an amazing time meeting them and are looking forward to getting to know them and spending quality time with them throughout the year.

To finish it off for this week we have enjoyed watching the Year 5’s learn and grow with their new MacBooks as part of the Laptops ‘4’ Learning Program. It has been very exciting to watch and see how they have developed with this piece of technology to show their learning in a much advanced way. Great Job Year 5’s!

Each newsletter we will introduce a few student leaders to you, so you can get to know us a little better. Today we feature the profiles of Luke and myself, Eve, Alyssa, Imogen and Kaja.

To meet some of our student leaders and to get to know a little more about them, Click here

Until next newsletter,

Isabelle and Luke

School & Vice Captains
