Learning Matters

Parent/Teacher Learning Conversations

You are invited to book a time to meet with your child’s teacher in Week 3.

Parent/Teacher Learning Conversations will be held from 12.00 pm – 8:00 pm on Wednesday February 15th and will take place in Cooinda (the school hall).

It will be a normal school day for students in Years 1 - 6 and a rest day for Prep students.

![School event code](image)

Enter THIS school event code. Then follow the 3 simple steps.

1. Enter your details
2. Choose teachers
3. Choose times

When you click finish, your interview timetable will be emailed to you automatically - check your junk mail folder if you do not receive your email immediately.

You can return to [www.schoolinterviews.com.au](http://www.schoolinterviews.com.au) at any time, and change your interviews - until bookings close.

_Bookings open on Friday February 10th at 12pm and close on Wednesday February 15th @ 11:00am._

Having a ‘Get to know you’ conversation early in the year gives teachers an opportunity to get to know the students in their class through you, their parent/s, because you know them so well. It helps us to really get to know and understand your child and their story and address their individual needs. Parent Teacher Learning Conversations assist in establishing a home school partnership essential in ensuring each student achieves their best.

To make this 10 minute conversation as useful and focussed as possible, please return the questionnaire sent home today to record any relevant key points you would like to talk about and return it to your child’s teacher by Monday February 13th.

This will then become the focus of the learning conversation.
Preps make a smooth start to life and learning @ St Augustine's

Our Prep students have made a great start to school and have been busy learning, playing, investigating and socialising. They have been on tour around the school popping into classrooms and offices and becoming familiar with their new surroundings.

We welcome them warmly and look forward to watching them learn and grow.
