**Swimming Program**
Daily swimming lessons for all students begin on Monday February 27th and extends for 2 weeks. (Permission and information notes were sent home today, Thursday 9th Feb and are due back by Monday 13th February).

A few reminders:

- Sports uniform should be worn for the entire swimming program
- Where possible, children wear bathers under their sports uniform
- Bring – in a clearly labelled bag – comb/brush, underwear, towel, thongs (children will change into their thongs before they leave school for the pool), goggles (optional)
- A one piece or tankini swimsuit is recommended as the most appropriate swim wear for activities involved
- For younger students it’s a great idea to have a dress rehearsal to get your child used to their swim gear in the days leading up to their first lesson. Anyone who’s ever worn a swim cap knows they can take some time to get used to.
- A dress rehearsal can also help your child get excited about their upcoming lessons. If you have any questions throughout the swimming program, please contact your child’s class teacher.

School Uniform

A reminder that the W & R Schoolwear Uniform Shop is open on **TUESDAYS from 8.30 - 9.30 am**. The uniform list is also available from the office or you can download one from the school website or click here [Uniform List](#). Hats are also available from the school office.

A reminder that sports uniform is to be worn only on sports day. This includes runners. Please make sure all uniform items are labelled with your child’s name.

A Great Idea ...

Embroidery is available from Caps n More, Terminal Building, Building 72, Hargrave Avenue, Essendon Fields.

Nail Polish

Our uniform policy clearly states that nail polish is not appropriate for school.

Love the wild colors but keep it for the weekend please.

Second Hand Uniform Shop

The second hand uniform shop will be open on Thursday 16th February from 2.30 - 3.30 pm (under the verandah weather permitting).

Brown School Shoes

If you are seeking brown school shoes for now or later on, some discounted stock will be available for sale on Wednesday.
15th February from 2.30-4.30 at school at heavily discounted prices.

Parking

Brimbank Council will visit to observe issues around safety and legal/illegal parking habits around our school.

They are on the warpath about;

- incorrect/illegal use of disabled car parking spaces
- double parking
- overstaying the 2 minute parking limit of a morning
- parking in no standing areas

We are absolutely committed to every one of our students entering and exiting St Augustine's safely.

As drivers, you need to to do the same.

Before and After School

Please be aware that teachers begin yard duty at 8.20 am. Children must not be in the yard before this time unless under the supervision of a parent/guardian. Likewise, all children should be collected before 3.35 pm when staff finish after school duty.

The school day begins at 8.40 am. Please be punctual with your children. It reduces anxiety and sets students up for an organised day of learning. If your child is late to school, they must come to the office for a late pass.

Parents are requested to wait outside the building to collect children. Staff walk students out to meet parents each afternoon. Staff are often involved in meetings before and after school or are preparing for or following up their day’s teaching. A pre-arranged appointment is the best way to meet with them should the need arise.

If you need to collect your child during the day, you must come to the office for an early dismissal slip which is presented to your child's teacher.

If you want a reminder of the ins and outs of daily school life, this link will take you to the Parent Handbook: Parent Information 2017

Nut Allergy

Several students at St Augustine’s have severe allergies to nuts. These children require an Epipen (adrenaline) to be administered should they experience an anaphylactic reaction. An anaphylactic reaction can be life threatening. Our school encourages parents to provide lunches and snacks that are nut-free. We have a No Food Sharing Policy. We ask that you support us by reminding your children to not share food with other students and to wash their hands after eating. Please aim to avoid providing nut products for your child’s play lunch or lunch, eg, peanut butter, Nutella, Snickers or Picnic bars. Treats for birthday celebrations are school should not include cakes and chocolate. A lolly pop would be a suitable treat.
Guitar-Keyboard Lessons with Mr Pham

Lesson duration is 30 minutes for every two students (during school time) and there are 9 lessons per term. Tuition fees are $160 per term and MUST be paid at the beginning of the term.

**Head Lice**

Back to school for another year and unfortunately this often means the start of the head lice season too. We see an increase in the number of head lice cases in the February to March period, particularly amongst school aged children.

*Head lice are extremely contagious. Early treatment is recommended to kill head lice and their eggs and to limit school and family contamination.*

95% of lice are transmitted through close head to head contact and by sharing objects such as hats, hair brushes, head bands, pillows and towels. Ensure that you and your household is protected from head lice this season by taking the necessary preventative steps to keep head lice away;

Below are 4 crucial steps to keep your school head lice free:

- Avoid sharing clothing, especially hats, ribbons, head bands and helmets
- Discourage children from playing with each other’s hair
- Don’t share brushes, combs, towels and pillows
- Keep long hair plaited or firmly tied back to prevent contact from other kids
